RE: Northern Iowa Telephone Company (FRN-0002595858) – CC Docket No. 02-33 Notice of Provision of Consumer Broadband Only Loop Service on Permissive Detariffed Basis

Dear Ms. Dortch:

Pursuant to the *Wireline Broadband Order*¹, Northern Iowa Telephone Company (NITC), files the enclosed notice of its intent to discontinue its Consumer Broadband Only Loop (CBOL) service offering under NECA Tariff No. 5 effective July 1, 2017. NITC will provide CBOL service on a detariffed common carrier basis effective July 1, 2017.

NITC has notified its current affected customers per the attached memo dated May 22, 2017. The geographic areas NITC serves are the towns of Hinton, Maurice, Granville, Sanborn, Matlock, and Little Rock in Iowa and the nearby areas outside of the towns within its own telephone exchanges. There will be no significant change to its customers with NITC's choice to detariff its CBOL service as the provisioning of this service will not be affected by this decision. Effective July 1, 2017, the terms and conditions under which CBOL will be offered by NITC will be posted for public inspection on its website at www.mypremieronline.com and a physical copy of the offerings will be available at its office, located at 339 1st Avenue NE, Sioux Center, IA 51250.

If you have any questions regarding this notice, please contact me at 712-722-3451.

Sincerely,

Ryan Boone, COO
